Hello Mark,

Hope all is well! I haven't talked to you for a while but I would like to introduce Laura Leigh Oyler from RAI Services Company who is delivering Youth Tobacco Prevention Program to our students. I did mention your new school under LAUSD and she wanted to see if you would like to meet with her and discuss further. Let me know if there is anything I can help with.

Thank you,

Star

:)

Hope all is well and lets catch up soon. Let's see if we can plan the tour of City Hall soon. I'm sure the youth will enjoy that!! Amanda, Dr. Brian and I can meet with RAI Company. Let me know how we should proceed.

Thank you Mark for such a quick response. We should definitely do the City Hall Tour. Let's try to figure out a date.

Thank you,

Thank you so much for doing this! Any word on whether the CM is interested in taking up the issue of increasing penalties for providing youth with tobacco? I think we could work on Councilwoman Martinez to submit this jointly.
